Basic necessities

# Portable

**2023**

---

In recent years, the trading of portable products has become a necessity, especially in times of crisis. GTA trades and distributes to people in need during times of natural disasters, conflict & other emergency situations.

**Our products include portable housing systems, small generators, portable toilets, sleeping bags, tents & more...**

# Convenient products

GTA is leading trading and investment firms with a long-standing reputation for providing customized solutions to meet clients' daily, basic and individual needs.

*AT GTA we support the supply of convenient durable products that promote mobility, safety and security.*

## Mobile Caravans

Mobile caravans are becoming a necessity like finding temporary offices or workers' housing in a construction site or for touristic purposes. All caravans we source are typically lightweight and feature modern amenities such as a kitchenette, shower, and sleeping area. Depending on the model, they can come equipped with a wide range of features such as air conditioning, heating systems, and TV/DVD players.

**Let's help  
you source!**
